

About beyond

Beyond is an Oracle Certified Advantage Partner with extensive experience of implementing complex, high-risk, business critical projects up to a value of \$15 Million involving more than 30 full-time personnel. Beyond personnel consistently demonstrate expert product knowledge, superior delivery techniques and unreserved commitment to our customers. We help our customers to improve business efficiency, make confident decisions and rapidly respond to the changing business environment.

E-Business

- Whether re-implementing, upgrading or customizing your existing installation, Beyond has a proven track record reducing the risk of complex Oracle E-Business challenges.

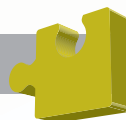

BI

- With experience over many deployments, we can guide your Oracle BI strategy whilst undertaking development and mentoring your team to increase the success of a rollout across the enterprise. Our particular expertise of BI for E-Business customers makes us an ideal Oracle BI Applications implementation partner.

SOA

- Beyond consultants have experience of complex implementations of the Oracle SOA suite and can advise on strategy, development and deployment.

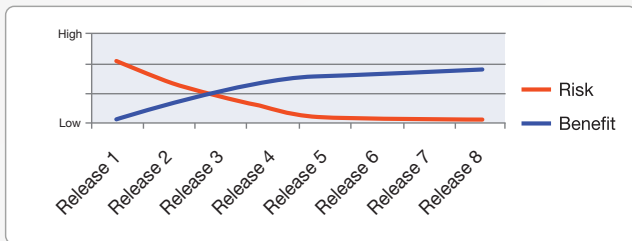

DATABASE

- With our expertise in 11g upgrades and options, we can help you reduce costs and increase the security, performance and availability of your critical Oracle solutions.

- Proven background of Strategy, Development and Delivery of Business Critical Applications

Proven Delivery Across Multiple Sectors

- Financial Services
- Retail
- Logistics and Distribution
- Manufacturing
- Public Sector
- Plus many more

Testimonials

"The undertaking of a major product renovation project brings with it major complexities and high risks. Our key reasoning behind partnering with Beyond for this task was the risk mitigation brought about by the professionalism and high levels of Oracle expertise their consultants bring to such a project."

Paul Scott CSR 2 Chief Architect, Tieto

"During the project initiation process and throughout the design and implementation process Beyond have been a pleasure to work with. They quickly grasped our requirements and offered constructive advice and solutions. The smoothness of the roll-out phase is evidence of the skills and expertise of the implementation team, of which Beyond were an integral part"

Bhimji Patel, Finance Manager, Greater Manchester Probation Trust

About Beyond Systems
